Subject: THANKSGIVING MESSAGE

Dear Client –

HAPPY THANKSGIVING! This is always a very special time of year. I am always mindful of how thankful I am for the opportunity you continue to bestow on me to help you with your financial security. It is a role I take extremely seriously, and I am profoundly grateful for the confidence you place in me.

Each year life just happens both personally and professionally. There is much we don't control, but we do control how we deal with it. To me, Thanksgiving is a reminder to reach out to people who are struggling, to check on family and friends, to be generous in time and giving, and to thank those who serve us-particularly military personnel, police, firemen, and emergency workers.

I hope your Thanksgiving holiday is an amazingly special time for you and your family, and thank you again for the opportunity to play a role in your life.

All the very best,

Bob
